

I'M FREE (composed by Hilton Camons)

Life is hard enough
Without these thoughts I've got
Getting outta bed each day
Just takes a lot

Bridge

Living in my head
Has got me so confused
'Cos its lonely in here
It's only in here
It's so cold in here
It's lonely here

Chorus

I'm free, yeah
I'm free again
I'm free, yeah
I'm free again

Repeat

Talking to the walls each time
With no response
Hoping that someday someone
Will come along

Bridge

And listen to my fears
And insecurities
But it's only me
I'm so lonely
It's so cold in here
It's lonely here

Chorus

I'm free, yeah
I'm free again
I'm free, yeah
I'm free again
Repeat

Uncertainties are finding their
Way back to me
I'm slipping more and more
Into insanity

Bridge

So I tell myself
You've got no clarity
'Cos it's lonely in here
It's only in here
It's so cold in here
It's lonely here

Repeat Chorus
